Ricardo opens new office in Weissach, Germany – home to Porsche’s R&D

Ricardo is today celebrating the opening of a new technical facility in Germany, located close to the Porsche AG research and development centre in the town of Weissach, Baden-Württemberg, in south-western Germany

The new office is intended to support future research, engineering and development projects carried out on behalf of luxury automaker, Porsche AG. “The launch of our new project facility at Weissach underscores the importance that we attach to maintaining a close working relationship with our customers,” commented Ricardo Deutschland Geschäftsführer (managing director) Dr. Robert Hentschel.

“Ricardo has partnered Porsche AG very successfully over the years. With our comprehensive and well-equipped technical centre at Schwäbisch Gmünd, our growing network of project offices close to our major clients, and the back-up of the global Ricardo organization, Ricardo Deutschland continues to further reinforce its position as one of the German automotive sector’s leading, most capable and best trusted of engineering partners.”
